Application number 10/687,053

Dear Examiner,

The application has been revised based upon quotations made by the Examiner, specifically in regards to the applicant failing to particularly point out and distinctively claim the subject matter which applicant regards as the invention.

Please find enclosed the revised application.

Application 10/687,053, 15 pages.

Thank you in advance for your kind co-operation,

Gunnar Ahlberg
